Exclusion days may apply for students with past due tuition accounts as outlined in the Parent-Student Handbook.

Incidental Billing

At the start of the year all families will be enrolled in Incidental Autopay for incidental billing. Incidental billing for before and after care charges and all school fees will be automatically deducted from FACTS Management Tuition payment accounts with a two-week notice to families.

Supporting Parishioner Discounted Tuition Rates

St. Vincent Ferrer school offers a tuition discount for families who are active, registered, and participating members of St. Vincent Ferrer Church. Families who are *Supporting Parishioners* during the previous calendar year are eligible for the discount. A *Supporting Parishioner* is a registered parishioner who both attends Mass and uses offertory envelopes to show attendance at least 40 out of 52 weekend Masses each year OR who financially supports St. Vincent Ferrer church with a minimum \$300 annual donation to the church during the previous calendar year. See Supporting Parishioner Procedures for additional information.

Friar Hours

The success of our school depends on community and parent involvement. School families are expected to donate 15 volunteer hours (known as Friar hours) by May 1. (Half day families 8 volunteer hours.) Full-day families who do not meet this requirement will be charged a Friar Hours Fee of \$450 and half-day families will be charged \$150.

Tuition Assistance/Financial Aid

Supporting Parishioners who demonstrate financial need will be considered for tuition assistance for kindergarten through eighth grade students. Families may apply through their FACTS Tuition Management account, and they are encouraged to apply early. The FACTS application fee is \$30. Tuition assistance applications for 2025-2026 tuition are due by April 30, 2025. All existing financial commitments must be met to qualify for tuition assistance consideration.
